

Welcome to Christmas in Bethlehem!

Founded on December 24, 1741, we proudly carry on the traditions that our Moravian forefathers began on that special night so long ago. Our Historic District contains many nationally acclaimed National Landmarks as we are in the heart of Historic Moravian Bethlehem a National Landmark District.

We offer many wonderful museums, historic sites, boutique shops and unique restaurants. The best place to start is our Visitor Center located at 505 Main Street for additional information on our museums, tours and carriage rides. They are open during the Christmas Season 7 days a week from 10am to 8pm.
